

JOHN HOLLAND

LEARN TO AWAKEN YOUR OWN PSYCHIC ABILITIES

BORN KNOWING

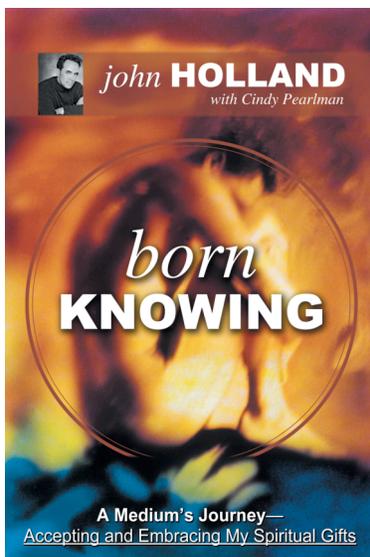

A Medium's Journey – Accepting and Embracing My Spiritual Gifts

Given the phenomenal change in attitudes about life after death, public interest in the Other Side is ever-increasing. Born Knowing will show you that even after the loss of a loved one, you're never truly alone.

Born Knowing is John Holland's first book. In an open and candid way, he explains how he dealt with his conflict of coming to terms, and finally accepting, his rare ability as a spirit messenger who helps people connect with those who have passed on.

Born in the tough suburbs of Boston, John coped with a difficult childhood, where he was ridiculed by his family and society, leaving him feeling isolated because of his psychic abilities. He refused to acknowledge his gift until a near-fatal automobile accident amplified his abilities to the point where he had to learn how to control what was once pushed away.

Drawn by the history and knowledge of spiritualism in England, John takes you on a two-year journey through Britain. He tells the story of his training by some of the top mediums in the British spiritualist organizations, which he humorously refers to as "Spirit Boot Camp," and how he gained acceptance and respect within this tightly knit, often-conservative spiritual community.

Born Knowing takes out the "psychic babble" by validating and dispelling some of the mystery and myths regarding mediumship. Throughout the book, John presents real-life case studies, where he discusses his readings with clients, the effect on their lives, and the sense of closure people feel, knowing that their loved ones who have passed on are still with them.

The book will also help you discover your own psychic and intuitive abilities, recognize signals from the Other Side, and make spiritual connections for yourself.
