John Holland

PSYCHIC MEDIUM

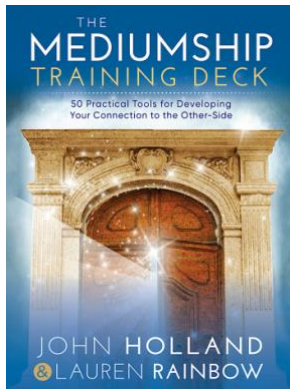

John Holland is one of the most highly respected Psychic Mediums in the country. He is also a spiritual teacher, author, and founder of My Soul Community.

His demonstrations of mediumship provide audiences with a unique glimpse into the fascinating world of a medium, as he explains how he can blend his own energy with that of Spirit, to create a link to be able to communicate with the Other-Side. He does this with candour, integrity humor and a lightness of touch, unique to John Holland.

Having studied in the UK for two intensive years, he has spent the last 20-years continually training and honing his gifts, that has made him one of the most sought-after professional mediums on the world stage!

He's starred in numerous TV shows and documentaries, and is the author of 6 Books, 4 Oracle Decks, Mobile Apps and much more.

He believes passionately about his work, and is often heard to say: *"If I can help people connect with someone on the Other Side, and bring peace, comfort, and perhaps some closure, then I feel as though I've done my job."*
